**PROGRAM
BENEFITS****All Programs**

Bridges will determine eligibility and the amount of program benefits for the month of reinstatement and any months during which the program was closed, as if the program had not been closed. The client must update the application form if any changes occurred.

Initiate reinstatement by entering the date and reason for reinstatement on the Bridges program request screen, under individual information. Enter any changes in data collection before running EDBC and certifying the reinstatement. Once the reinstatement is certified, any and all benefits due to the client will be issued.

The eligibility begin and end dates for each program are determined by the policies indicated below:

- CDC - BAM 115 and 220.
- MA - BAM 210.
- FAP - BAM 400 and BAM 406.

Reinstatements that exceed 12 months must be processed by MDHHS exceptions.
